

Payer Guide

The student's guide to
making international
payments with Flywire

Step 1: Get started

- Visit www.flywire.com.
- Select “Make a Payment,” then select “Pay.”

The screenshot shows the Flywire website interface. At the top left is the Flywire logo. To the right are navigation links for 'Solutions' and 'English'. A blue button labeled 'MAKE A PAYMENT' is open, showing a dropdown menu with three options: 'Pay' (highlighted with a red circle), 'Account', and 'Support'. Below the navigation is a large graphic of a globe with the Flywire logo 'f' in the center, surrounded by various international landmarks and currency symbols like '\$', '¥', and '₹'. The main heading is 'Payments solved', followed by the tagline 'Empowering opportunities globally and locally with convenient, secure, and reliable transactions'. Below this are three service categories: Education (with an icon of an open book), Healthcare (with a heart and pulse line icon), and Business (with a briefcase icon). Each category includes a short description and a 'Learn more' link.

Step 2: Find your institution

- Enter the name of the institution you want to pay, or select them from the drop-down menu.

The screenshot shows the Flywire website interface. At the top left is the Flywire logo. To the right are navigation links for 'Solutions' and 'English'. A 'MAKE A PAYMENT' button is in the top right corner. The main heading is 'Find the institution you want to pay'. Below this is a search input field with the placeholder text 'Browse' and a dropdown arrow. A blue 'CONTINUE' button is positioned below the search field. Underneath the button, there is a link that says 'Can't find who you want to pay?' and another link that says 'Getting bills through Flywire Invoicing? Find my bill'. The bottom section is titled 'How it works' and features a three-step process diagram. The first step is 'Send your funds to us', which involves choosing a payment method (bank transfer or credit card) and receiving instructions. The second step is the Flywire logo. The third step is 'Institution receives your funds', where Flywire receives, converts, and delivers the funds to the institution, notifying the user at each step.

Step 4: Select your payment method

Based on your country selection, Flywire will automatically display your local currency rate with the appropriate payment options, such as traditional bank transfer or debit/credit card payment.

- Traditional bank transfer (also known as a wire) is the most cost-effective method. Please note that to complete the payment you will need to make arrangements with your bank (in person, online, or over the phone) and send your funds to Flywire in your chosen currency.
- Debit/credit card will allow you to make an online payment in your home currency. Contrary to a traditional international credit card payment, Flywire handles the foreign exchange so you will know the exact amount that will be deducted from your account before you make your payment. Please note that credit card payments are not available in every country.
- Flywire will then convert your currency and pay your institution.
- If you select your home country, but you don't see your home currency, don't worry — you can always pay in the currency of your institution or select a different currency by clicking the “I want to pay in another currency” link at the bottom of the page. Although the process and benefits will remain the same, your bank will handle the foreign exchange before sending the funds to Flywire.
